

INFORMATION ABOUT CHRIST IS THE ANSWER

Jesus told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field". Luke 10:2

Christ is the Answer International Ministries is made up of 13 teams in different parts of the world. Clark Slone and a group of eight elders are responsible for the Italian mission team, which is made up of around 100 full-time laborers. We live in a mobile camp sharing the daily responsibilities of the workload: cooking, guard duty, mechanics, carpentry, welders, teachers, office-work, and big tent maintenance. The Christ is the Answer tent team has been in Italy for 30 years, continually moving from city to city, towns and villages, spreading the Gospel of Jesus Christ and His Salvation.

We hold nightly meetings under the big tent that has the capacity 3,000 people. Small evangelistic teams are sent out each day to hold open-air meetings, with singing, testifying, preaching and street drama and also periodically going into hospitals, nursing homes, and prisons.

Ministering in the open air meetings, street drama, children's meetings, women's meetings, and visiting the sick in the hospitals. There are also many other things to do in camp, from practical work to teaching school.

There is something for everybody. New ministries are also developed as additional brethren come into the work and bring their talents and abilities. We have a daily Bible study and a time for personal study and /or relaxation. Serving one another is truly a blessed life. Whatever abilities you have, we could put to good use.

GOD IS HIRING. We pray to see you soon on the mission field!

You are welcome to come visit, see the work for yourself and participate.
We are always praying for full-time laborers. Any help that you can
give to get the gospel out, is greatly appreciated.
